# Dzogchen Seminar with James Low

*“The direct path to awakening”*

**Berlin, 16. - 18. November 2012**

We will look at the key principles in the important dzogchen text ‘The direct indication of buddhahood beyond classification’ by Nuden Dorje. This text clarifies how to integrate with our own nature and how to overcome problems on the path.

For more than 20 years, James regularly teaches the principles of dzogchen in Europe and he publishes translations and commentaries from time to time.

James currently works as a Consultant Psychotherapist in a National Health Service teaching hospital in London and has a private psychotherapy practice. He has taught on many psychotherapy trainings in Britain.

James teachings will be translated in German. Everyone who is interested is warmly welcome.
